- Protect them from the rain and sun
- Support your team by buying an advertisement banner or donating

The Athletic Pavilion will be an open structure built for the purpose of protecting our athletes from weather conditions as well as give them a place to meet before and after games. It will serve our teams such as Football, Softball, Cross Country, Soccer, and Track & Field as well as provide a gathering place for alumni, spectators, and special events. The pavilion will consist of two 20x40 ft. structures connected by a breezeway. Thank you in advance for your prayers and support.
