

WESTMINSTER ACADEMY®
DEVOTED TO CHRIST • DEDICATED TO EXCELLENCE

Strategic Initiatives for the Next Five Years
2012-2017

For God's glory, we will continue to prayerfully enhance the following five key strategic initiatives:

1. Teach and model in all areas of our school ministry our mission and guiding principles as a Christ-centered, biblically-based, Kingdom-minded, grace-filled, child-focused, Gospel-drenched, excellence-driven, classical, covenant, complete, comprehensive college preparatory educational experience
 - a. Hiring and training the very best Christ-honoring educational professionals
 - b. Proactive planning, communication, and education for all constituencies
2. Spiritual vitality throughout the school ministry (educating and equipping the soul and character)
 - a. Continual review and enhancement to our Bible curriculum, chapels, and spiritual formation programs, events and activities
 - b. Ongoing biblical and spiritual nourishment for our students, employees, parents and guests
3. Academic, fine arts and athletic excellence (educating and equipping the mind and body)
 - a. Continual review and enhancement of the total learning curriculum and environment
4. Technology advancements (educating and equipping our students to make the best use of technology at WA, in college and life)
 - a. Interactive white boards (SMART Boards)
 - b. Safe wireless campus
 - c. Individual devices for a one-to-one learning experience
 - d. Electronic textbooks
 - e. Full utilization of RenWeb and other technologies for students, parents and employees
5. Financial strength to support the mission of WA and to add quality to the educational experience of the students
 - a. Create additional checks and balances, as well as timely management reports for the Leadership Team, Finance Committee and School Board
 - b. Increase enrollment and improve student retention while protecting and promoting our covenant and academic standards along with our low student-to-teacher ratio
 - c. Establish additional relationships and enhance our cultivation of donors to increase our donor base
