

Parent Meetings

Important Dates for 2007-08

Meetings! Meetings! Meetings! Who needs another meeting? We agree! That is why we have worked hard to make the various parent meetings productive and beneficial to you. Those we have scheduled are important in maintaining an effective communication between home and school.

- Open House nights have been scheduled to enable parents to attend each of their children's classes and meet with teachers.
- Parent-Teacher Conference Days. Two days have been set aside on the calendar for official Parent-Teacher Conferences for PKI-Grade 5 (October 3 and February 27). Parents will be contacted by the elementary faculty to schedule conference times. There will be no school for PKI-Gr. 5 on these days.
- Parent-Teacher "Touch-Base" Night for Grades 6-12 will be a relaxed evening of fellowship and refreshments, with the opportunity for parents to hold brief "touch-base" conversations with teachers throughout the evening.
- 11th Grade Parent/Student Meeting. This meeting is to discuss senior activities and college admission.
- 12th Grade Parent/Student College Meeting. This meeting is to review the process for college applications.
